

12 March 2019

Dear Parents and Carers,

### **SATS Workbooks**

Discussing with many of you the opportunity for additional support in the lead up to this year's SATs, I will be ordering various workbooks aimed at supporting children in their learning and revision for you to buy in school.

There are various books available which focus on different aspect of the curriculum and the test questions that the children will be facing in May. We, as a school, have purchase three books for each child, but you may feel you would like to purchase extra 10 minute test books for you to study with your child at home.

Please don't feel you have to buy any of the books, but you may find that one or two of them can support your child in areas that they find particularly difficult. Please discuss the selection with your child to see what they feel would be of benefit to them and of course, come in to see me if you would like me to make a suggestion too.

Please fill out your order on the back of this letter to let me know which book(s) you would like to purchase from the school. If you would like to view the books, sample pages can be seen via CGP's website at [www.cgpbooks.co.uk](http://www.cgpbooks.co.uk).

Once you have made your choice, please fill out and return your order (on the back of this letter) **by Tuesday 19<sup>th</sup> March**. Payment should be made on ParentPay – please pay the total amount for all books chosen and not individual amounts. Books will be delivered to school during March.

As mentioned before, if I can help with your selection of books, please let me know.

Yours sincerely,

Mrs Tilling  
Phase 2 Leader
