Dear Parent/Carer,

Please find an attached guide for 'Momo' which has been dubbed as 'the suicide killer game'. Publicity about this has increased a lot in the last few days and people in our community have reported seeing characters and people pop up within a variety of Youtube clips including Peppa Pig. Some of the older children at our school have mentioned and asked about 'Momo' today.

Information and advice for parents is given on the attached guide. Please make sure you have regular, honest and open conversations with your child about what they are playing/accessing online.
