Friday 5th October 2018

We will be running a “Keeping up with the Children in Maths” workshop for parents with children in Years 3 & 4. This will be a chance for parents to learn how Maths is taught in school and how you can support your child. The course will run on Thursday afternoons, for 5 weeks, starting from 8th November until 6th December (5 sessions). Parents are invited to attend the workshop at 2.15pm each Thursday, with children joining for an activity at the end of the school day. Full details are provided on the flyer.

Places are limited to 12 and will be allocated on a first come first served basis. Please complete the slip below if you would like to attend.

If you would like any further information please contact me on 0117 9030219.
